Operations Leader (m/f/d) - aerospace industry

(7488)

 Place of employment: Hamburg

A new opportunity?

On behalf of our client – a global player in providing services covering all aspects of an aeronautical product life cycle - we are searching for an **Operations Leader (m/f/d)** for the Hamburg location.

Your Tasks:

- Lead production team, support functions and team leaders
- Prioritize the activity; plan and manage the weekly workload
- Ensure slot allocations
- Organize and conduct group meetings; ensure and verify project updating progress
- Ensure job performance according to job description sheets
- Participate in hand over meetings, analyze and record NCs; initiate corrective actions

Your Profile:

- Dipl.-Ing. / M.Sc. / B.Sc. / certified technician in aeronautics
- Profound aeronautical experience
- Management experience
- Knowledge of management procedures, team building and production methods
- IT Skills (Word, Excel, MS Project, SAP)
- Fluent English language skills are prerequisite, French and German are an asset

What We Offer:

- Permanent contract
- Renown, international and growing company in the aerospace branch

We look forward to receiving your application documents by email at Perspektive@hanfried.com, addressed to Mr. Utesch.
